***CAPED!* Call for Artists & Comic Book Workshop**

CAPE GIRARDEAU, MO – The Arts Council of Southeast Missouri has partnered with Cape Comic Con for the 2nd year to present a special, one-day only exhibition to feature your original “Caped” characters! This is an opportunity to share your original character, whether (s)he is a superhero, super-villain, or if they only dream of being one! Capes are welcome, but not required.

The *CAPED!* exhibition will be on display in the Rogues Gallery at the Osage Center on Saturday, April 16th during Cape Comic Con 2016. The artworks will be selected for awards in a Youth Division (ages 12 & under), Young Adult Division (ages 13-18) and an Adult Division (ages 18+) and judged by featured guest artist, Lorenzo Lizana, Art Director at Lion Forge Comics.

Artwork can be submitted between April 1 - 13, 2016 to the Arts Council of Southeast Missouri on official Cape Comic Con ArtBoards or on paper/cardstock between 8"x10" and 14"x17".
