

First Friday with the Arts

Arts Council of Southeast Missouri
Artist to Business Request

About:

Businesses often request to be further involved in First Friday's by displaying artwork or having artists come and talk at their place of business. If you are an artist interested in showing on F.F. around town this is the form for you!

The Arts Council will work to pair you with a business that is willing to house your work. Please note that this is for work to be shown during the 5-9 time slot on First Friday and we require the artist to be present during the duration of the evening, *unless other arrangements are made between the business and the artist*. The artist is responsible for the set-up and safety of their artwork.

Artist Name: _____
