MICRO GALLERIES EXHIBIT SPACE RENTAL

The Arts Council of Southeast Missouri is committed to promoting the arts and the local artists in our region. In the continuing spirit of supporting our regional artists, we offer two designated Micro Gallery spaces available for solo exhibits.

The Micro Galleries are a public exhibition rental space. The two exhibit spaces can either be rented together or separately during the Arts Council's regular exhibiting schedule. Either or both Micro Galleries may be rented for a single-day, weekend-long, weeklong, or month-long use. Scheduling will be done on a first come, first serve basis and must be approved by the Director and Gallery Manager of the Arts Council of Southeast Missouri. A formal proposal must be submitted to the Arts Council for review and selection to exhibit.

Anyone eighteen (18) or older may apply to use the Micro Galleries. Teachers or instructors of students under eighteen years of age may apply to exhibit their students' work. Artist(s) may sell his or her own work on display. The Arts Council will process all sales of work in Micro Galleries. Artist(s) will maintain 70% of sales with a 30% processing fee retained by the Arts Council. Visual Arts Cooperative (VAC) members will maintain 80% of sales and the Arts Council will retain 20% for processing.

New artist(s) will be given preference over previously exhibited artist(s). Exhibiting artists will be required to install and uninstall his/her own work within the space(s).
